[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 27 January 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 1760 MMSR-6J of 9 December 1999, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

NAVAL RECORDS

Subj: BCNR APPLICATION IN THE CASE OF FORMER [REDACTED]

Ref: (a) MMR Route Sheet of 17Nov99, Docket No. 1653-99

1. The reference requests an advisory opinion on [REDACTED]'s petition to correct his record to show that he had served six months active duty in the Marine Corps Reserve.
2. [REDACTED]'s Marine Corps service record shows that he served on active duty from 2 February 1979 through 21 April 1979. The statement on the General Services Administration document R6-6941(981) of 12 October 1982 indicating "Veteran also had 6 months active duty training from 2Feb79 - 21Apr79" is incorrect.
3. Unfortunately, Mr. [REDACTED]'s service record does not support his request for additional compensation. We must, therefore, recommend that [REDACTED] petition not be granted favorable consideration.
4. Point of contact is MGySgt [REDACTED], MMSR-5, 784-9306.
